Project C.O.P.E. also known as "Challenging Outdoors Personal Experience" is a unique personal development program composed of climbing, rappelling, and problem solving in both low-course and high-course settings. C.O.P.E. is unique to the participants and tests them individually and as part of a group.

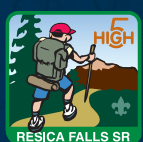

Spend the week canoeing 80 miles down the beautiful Delaware River. Camp along the river, run some rapids, and share experiences with scouts from other troops in this rugged and wild adventure.

Want to do something extreme in 2017? Spend the week riding around the reservation on one of our state-of-the-art ATVs! The ATV program has four sessions each week with six participants per session. Scouts must be 14 or older to participate, and must have completed the ATV Participation and Hold-Harmless agreements prior to arrival at camp.

Fawn Run is a week-long hiking adventure unlike anything you've ever seen. You build your schedule for the week around our 4,200 acre reservation, 20+ miles of hiking trails, and our numerous scenic overlooks and swimming holes.

Want to try something different in the afternoon? Join in the High Five gang of adventurers and be ready to explore the secrets that Resica Falls has to offer.

Ready to lead?! National Youth Leadership Training (NYLT) provides youth with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others. This is the same type of leadership training available in the corporate world, but delivered in a scouting theme. Become the leader you were meant to be — in scouts, sports, school, and beyond.

NYLT COURSE DATES

Sept 29- Oct 1 & Oct 6-8	Musser Scout Reservation

Located in the beautiful Pocono Mountains, Resica Falls Scout Reservation a 4,200 acre Scouting Paradise. We offer an amazing program for every scout to enjoy. The facilities at Resica Falls are top-notch, and are continually being updated. Here are just some of the improvements that make RFSR one of the best camps in the Northeast!

TEMPLETON DINING HALL

Accommodating 600 people per seating, breakfast and dinner are served family-style, and lunch is served as a buffet, with specialty stations and a full salad bar available. All food is prepared by a food service that expertly fulfills any dietary or food allergy needs.

POOL & LAKE ATTRACTIONS

The pool is equipped with a three-story water slide that all scouts can enjoy. In addition to canoing, kayaking, and sailing, campers have the chance to get wet on the Wibit attraction, that includes a blob and trampoline on Lake Roger.

RICHARDS' ARENA

A state-of-the-art campfire amphitheater, this marvel of lights and sound is home to our opening and closing shows, as well as mid-week campfires.

EIBNER HANDICRAFT PAVILION

This beautifully constructed pavilion, complete with pottery wheels and kilns, is home to an abundance of our crafts, including leatherwork, pottery, sculpture, and wood carving.

STEM CENTER

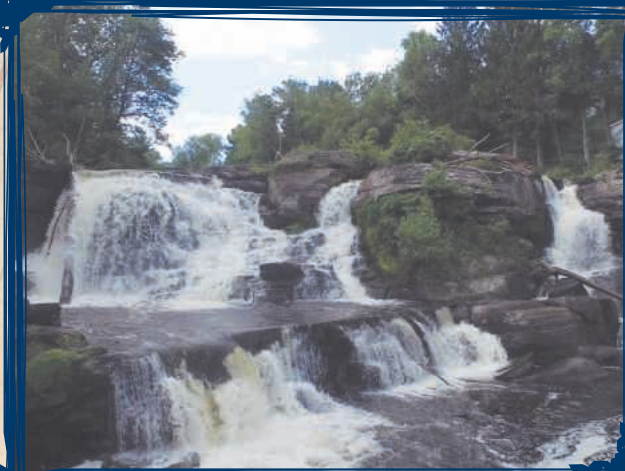

A project that is about to enter its second phase at Resica Falls, our science and technology center allows scouts to explore their interests in robotics, engineering, moviemaking, electronics, and more!

SPORTS COMPLEX

Scouts keeping moving at Resica, as they have fun at our human foosball court, blacktop basketball court, GaGa pit, and many other exciting athletic features.

SHOOTING RANGES

A full complement of shooting activities are available at our multiple ranges, including: shotgun, rifle, chalkball, archery, action archery and sporting arrows.

TROOP TRIPS:

Whether it's a trek down to one of our famous swimming holes or a dragon-boat race across Lake Roger, you can always find something extra to do here at Resica Falls. Talk to your camp commissioner to set-up a troop trip any day!

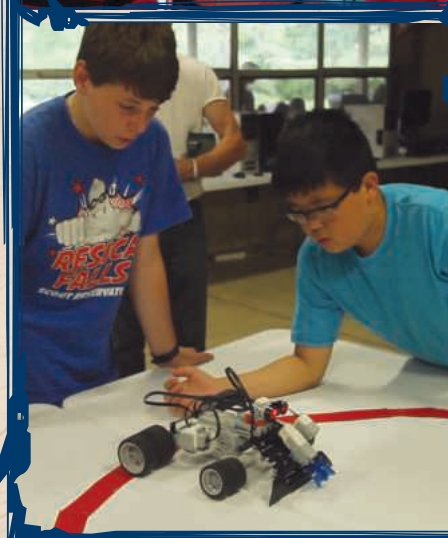

Canoing along the Delaware River: Spend half a day, a whole day, or even overnight canoeing down the scenic Delaware River. This is a great opportunity to fit some patrol cooking, fishing, and rapid riding into your week!

Patrol Cooking: Resica Falls is committed to providing everyone with a unique scouting experience. We encourage in-site cooking whenever possible and will accommodate patrol cooking for a single meal, a day's worth of meals, or even a week's worth!

Fly Fishing: The Bushkill Creek offers some of the greatest fly-fishing around and is always stocked with trout. Fly-fishermen 16 years and older must have a Pennsylvania fishing license.
