

ADVENTURE AWAITS

UNDER THE BIG TOP

As P.T. Barnum once said, "No one ever made a difference by being like everyone else."

The house lights are up and the circus is in town! This summer at Resica Falls, we're rethinking how we do campwide program. Your unit will be treated to a display of marvels during your stay, including the Big Springs Carnival – complete with games, performers, and your favorite carnival foods – and a classic Opening Campfire.

Two Ways Girls Can Attend Summer Camp at Resica

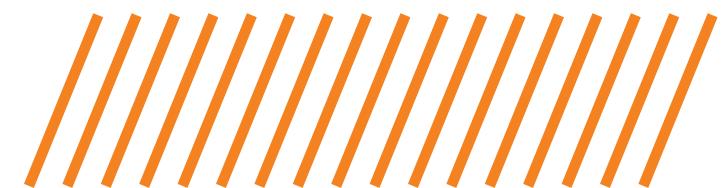

WITH A UNIT

Your Scout Unit goes through the regular process of registering to attend summer camp at Resica. You will need to meet the two-deep adult leadership requirement, with at least one of those leaders being female.

If your Scout Unit is unable to secure two adult leaders for their stay in camp, we'll work to pair you with another Scout Unit already attending Resica. Again, one of the leaders of the combined group would need to be female.

TROOP ONE PROVISIONAL

If you can't come to summer camp as a Scout Unit, there is still the opportunity for individual girls to attend Resica. They can also join our provisional program 'Resica Troop 1' for their summer camp stay. The camp will provide qualified two-deep leadership with one being female.

COPE WEEKENDS

The Cradle of Liberty Council COPE & Climbing Committee offers several COPE weekends during the fall and spring. COPE, which stands for Challenging Outdoor Personal Experience, begins with basic initiative games and progresses to more complex low-course and high-course activities with the ultimate goals of testing your individual skills and helping your unit grow as a team.

RESICA FALLS FIELD WEEKEND

The 3rd Annual Resica Falls Field Weekend will be held April 24-26, 2020 – save the date now! Your unit will hone their tent camping skills as they participate in a variety of program activities that include: fly-fishing, Cowboy Action Shooting, climbing, and an Iron Chef competition. Be sure to put this awesome weekend on your unit's spring calendar! Learn more at resicafalls.org/field-weekend
