

2018 Update #2

# Resica Falls SCOUT RESERVATION

*Don't Forget to Order Your 2018 Resica Falls Troop with Unit Personalization on Back*

## NEW: 2 DEADLINES FOR YOUR CONVENIENCE

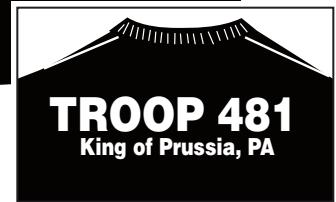

2018 marks the 4th year of our very popular Troop T-shirt Program at Resica Falls. This year's shirt fits with our theme "Space Odyssey," echoing the direction of Star Wars with the phrase "May the Falls be with You!" It will be a 5 color design on a black shirt with the Troop's name and town on the back.

This year we have provided 2 separate deadlines for your convenience. The **first deadline is June 4th** for Troops attending weeks 1-3. The **second deadline is June 25th** for Troops attending weeks 4-7.

We were able to keep the costs for this quality shirt and 5 color design down, with sizes S-XL costing \$16. Larger sizes will cost: 2XL-\$17.75, 3XL-\$18.70, 4XL & 5XL-\$19.20. Remember, we'll print the back for FREE if you order 10 or more shirts. For an order of less than 10, there is a \$10 setup fee. Your order will be waiting for you when you arrive in camp. To order go to the links at [resicafalls.org](http://resicafalls.org) or click on one of the two buttons below.

# COWBOY ACTION SHOOTING AT RESICA FALLS

## NEW FOR 2018

The program offers a fun and safe introduction to cowboy action shooting with pistols, rifles, and shotguns. While attending camp, Boy Scouts and Venturers 14 years of age or older can take part in a special shooting experience with opportunities to shoot single-action .22-caliber pistols, lever-action .22-caliber rifles, and 12-gauge or 20-gauge shotguns.

In various old-time western scenarios, Scouts play “good guys” who prove their accuracy by shooting at things like spinning metal targets where they hit the spinner to “ring the bell.” All shooters choose their own cowboy action names before starting so the NRA instructors—dressed in cowboy attire—can call them by those names.

## YOUTH REQUIREMENTS

Boy Scouts and Venturers who are over the age of 14, or are 13 and have completed the eighth grade, may participate in this activity.

All youth participants are required to have written permission from their parent or guardian before they can take part in the program.

## TRAINED SUPERVISION

The cowboy action shooting program is conducted by NRA-certified instructors with pistol, rifle, and/or shotgun certifications (will have all three if using all three types of firearms). Each cowboy action shooting participant will be accompanied by a certified pistol, rifle, or shotgun instructor (depending on the firearm being used) who is actively involved in every shot and all of the gun handling. All Range Safety Officers and instructors for this program possess current credentials for the discipline they will be instructing.

# Construction Update: Archery Range Project Begins

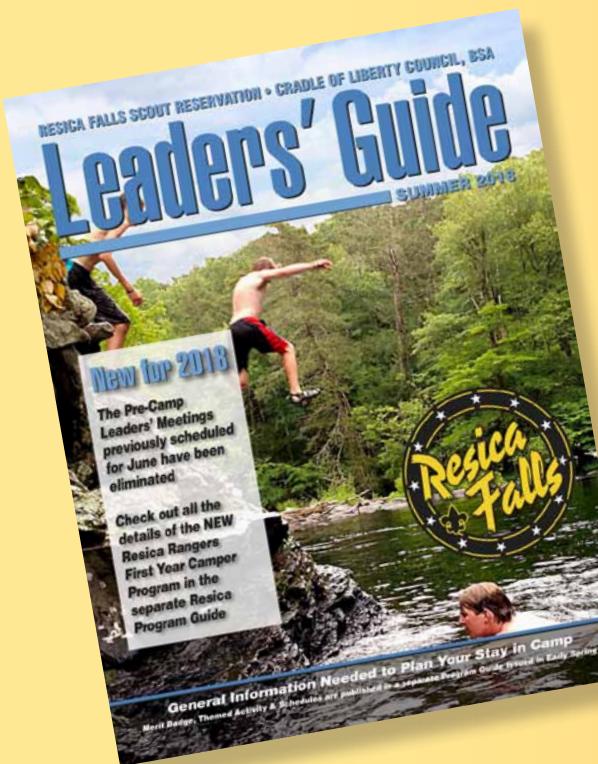

Construction began mid May on Resica Falls' new Archery Range Shelter at the site of the existing Archery Range.

At almost 22' x 98', the shelter has room for 16 shooters as well as space for waiting and merit badge classes. A permanent office/storage area will protect our investment in shooting and range equipment.

The range will be wired with electricity for

lighting and target throwing equipment. This will allow the staff to schedule night shooting at the newly improved area.

This year's construction at the Archery range is one more example of the continued commitment by the Cradle of Liberty Council to enhance and improve the program and facilities at Resica Falls Scout Reservation.

*Don't forget your best resources for learning about Resica Falls and planning your week in camp. From maps and schedules to program suggestions and permission slips, the 2018 Leaders' and Program Guides are the first place to look for info about the Summer at Resica. Send the link to your Scouts' parents so they can see everything available to their children. And remember, camp is more than just merit badges, so use these guides to plan a truly memorable week at Resica Falls Scout Reservation.*
